

**COURSE SYLLABUS**

**5-Day SMSTS  
Site Management Safety Training Scheme**

**Suitable For:**

Site supervisors, managers and agents who are, or are about to be, responsible for planning, organising, monitoring and managing groups of staff within the workforce.

**Course Aim:**

This course is designed to provide candidates with the knowledge and understanding to effectively manage health and safety on site in accordance with current legislation and within the context of their normal management or supervisory role. Candidates will develop an understanding of their responsibilities and accountability for site health, safety and welfare and recognise that a safe site is efficient, economical and productive.

**Course Content will include:**

- An introduction to health and safety management
- Health and safety legislation including: The Health and Safety at Work Act 1974, The Management of Health and Safety at Work Regulations 1999, The Construction Design and Management (CDM) Regulations 2007 & The Reporting of Injuries, Diseases and Dangerous Occurrences Regulations 2013
- Managing health and safety in the building, construction and civil engineering industries
- Responsibilities of managers and supervisors
- Measuring, monitoring and auditing health and safety performance
- Provision of information and training
- Risk assessments/method statements
- The control of hazards and risks
- Behavioural safety
- Management of occupational health
- Electricity, Excavations, Working at Height, Scaffolding, Demolition, Confined Spaces etc.

**The course is a mix of tutor led lecture and discussion sessions, PowerPoint presentations, safety videos, group work, case studies and practical exercises.**

**Course Objectives:**

On successful completion of this course, candidates will recognise that a safe site is efficient, economical and productive and will be able to manage health and safety on site in accordance with current legal provisions.

**Venue:** Either on-site at clients' premises or at ITS Training Centre

**Duration:** 5 Days

**Candidates:** Up to 12 per course

**Certification:** CITB ConstructionSkills Site Safety Plus Certificate
